

STREET PARTY OF HOPE

Buffalo Strong and **Street Party of Hope** are joining forces on **Thursday, September 15, 2022 from 4-9 pm** for an evening of connection, healing, and inspiration.

Street Party of Hope is celebrating its 15th year! Hosted in downtown Buffalo by Buffalo Strong, this community-building event is intended to reacquaint locals with accessible health and wellness services. In addition to supporting the Allina Foundation Cancer Care Fund, this event will include support for the Buffalo/Hanover/Montrose School District, Central Minnesota Mental Health Clinic, and the Wright County Area United Way. Funds raised at this event will stay local, with the goal of connecting our caring community to social and emotional learning resources.
