PROGRAM DESCRIPTION

Adopt-A-Park is a public service program for volunteers to assist their community by picking up litter, communicating maintenance needs, and assisting in improvement projects at Buffalo parks.

- Adopt-A-Park is open to community groups, civic groups, churches, families, and individual citizens for a minimum period of one year.
- Park clean-up shall be performed twice a month.
- Electronic check-lists will be provided for groups to easily communicate maintenance needs to the Parks Department.
- Park sites are chosen on a first-come, first-served basis.

The City of Buffalo provides:

- Free trash bags.
- Pick up of full bags.
- Paint and material for special maintenance projects (if necessary and approved).
- A personalized sign on-site recognizing the group's efforts.
- Identification of program volunteers on the City of Buffalo website.
- Tips for a safe and successful clean-up.

What we ask of you:

- Pick up litter in the park area, and place the bag by the park's litter receptacle.
- Pile up fallen branches or sticks.
- Rake safety surfaces in worn areas.
- Communicate any safety or maintenance concerns you see to Park staff immediately.
- Have fun volunteering in, and for, your Community!

To get involved:

Simply mail, or drop off this form to the City of Buffalo Parks Department at the Buffalo City Center. You will then be contacted to confirm park availability. If then assigned to a specific park, schedule and program information will be sent to you.

Why Adopt a Park?

- Litter is unsightly and destroys the natural aesthetics of our beautiful city, neighborhoods, and park system.
- Minimizing litter in our community is inviting to visitors and prospective citizens and businesses.
- Through the efforts of volunteers, City staff can focus on other important tasks.
- Litter is expensive. Your help saves tax dollars.
- Volunteering in this program means taking ownership in a city park, and shows off your community pride!!
