## Short-Term Goals:

### Organizational Support

**Opportunity** - goals that have organizational support, to be pursued when opportunity is available

1. Conduct financial and comprehensive planning for infrastructure systems, complete a utility rate study, and develop a model for long-term sustainability.
2. Complete connections of trail system to serve as both community transportation and market as a regional attraction.
3. Expand programs and use of Civic Center/Recreation Center that generate additional revenue to be self-sufficient, including a potential local option sales tax.
4. Implement facility needs study and consider municipal campus options.
