NOTICE OF DECISION – SOUTH SHORES ON LAKE PULASKI EAW

The City of Buffalo has announced the release of Findings of Fact and Record of Decision for the South Shores on Lake Pulaski Development Project.

On June 10, 2025, the City released an Environmental Assessment Worksheet (EAW) for the proposed project. The public comment period ended on July 10, 2025. Four written comment letters were received and considered from public agencies and the general public. These and corresponding responses are incorporated into the final Findings of Fact and Record of Decision. After further planning and coordination with the project proposer, the City of Buffalo has made a Negative Declaration on the need for an Environmental Impact Statement.
