Join her and our other great volunteers for this program that is all about giving back and supporting our local communities.

VOLUNTEER RIDE SHARE PROGRAM

We are recruiting volunteer drivers to help community members in need. You choose your schedule & decide where you want to go. This service will enhance Buffalo's already excellent public transportation by improving access by adding weekend hours to upcoming events at the Buffalo Area Community Center! A common question we get asked is how are people going to get rides to the new community center when we move. There will be a variety of ways that residents can get free or low cost rides. Free rides will be offered at select times through Love Inc. Low cost rides will be offered by YouHoot, Wide Street Taxi, and Christie Cab. Trailblazer Transit also provides rides to those that live within the city limits at no cost to you. Call Trailblazer to schedule: 320-864-1000. These great services make it easy for residents to participate in programs and improve the quality of life in Buffalo!

We'll also review best practices for evaluating information and explore tech tools that can help identify content created with AI. Presented by Officer Mark Brown and Senior Community Services Representative Cynthia Child. Call us at 763-682-6036 to register.

ANOTHER VETERANS DAY LOIS ERICKSON

We live in a large country with many, many veterans, older and younger. When you knew or personally know of one or more, that's different. That feels different. When you know one or more who lost their lives, or were left with severe long-term wounds, that cuts deeper. There are many stories to be heard, many stories to be read, and many stories will not be told, some too painful to tell. My Army husband says "I did what I was told. I went where they sent me." So it was for our many veterans, and the outcomes varied. We acknowledge our veterans, We remember them. We, the people of the USA, Thank them.
