

CLEAN ENERGY **for your Business!**

Updated Program Pricing

Effective January 1, 2022, the Clean Energy Choice for Business surcharge will be increasing from \$0.001 per kilowatt-hr (kWh) to \$0.002 per kWh. This charge is only applied to 80% of your total kWh because the remaining 20% is already renewable.

Thank you again for your participation in the Clean Energy Choice for Business program.

We hope that you continue to participate in 2022. If you wish to unsubscribe, please let us know no later than December 1, 2021.
