

Reservations for the community garden plots located at **Gary Mattson Park** off CSAH 35 on the NW corner of Buffalo Lake will begin March 1.

Individual garden plots are approximately 10' x 20'. Each garden area is measured with string marking the perimeter of each plot. There is a 5-foot walkway down the center of the garden site. Water is available by hose at one end of the community garden.

If you would like to reserve a garden space, fill out the form below and mail it with your check to:

**City of Buffalo Community Gardens**  
212 Central Ave.nue  
Buffalo MN 55313

(You may reserve no more than 2 plots per household. In the event of a large number of requests, gardeners may be limited to one spot each.) Plots will be assigned in late April, with gardeners contacted via email with plot maps and information.

## Reminders

- Gardens will be tilled and ready to plant by **May 1st**, weather permitting (additional ground preparation may be needed before planting).
- Dogs and other family pets are NOT allowed in the gardens. Please be respectful of all park users and neighboring gardeners.
- Do your best to keep gardens looking nice and weed free. Garden privileges will be revoked for those that fail to maintain them.
- Gardeners must clear their plots of stakes and plant debris by **October 10th**. Plant debris can be taken to the *City's compost site* located behind the Civic Center at 1306 County Road 134. Debris should not be left at the garden site.
