

FLORA OF BUFFALO

What is Flora of Buffalo?

It is a beautification program run by city employees and community volunteers.

“Flora of Buffalo” program was established to help offset the cost of annual floral displays throughout Buffalo.

These displays occur every spring/summer, fall/winter and can be seen as hanging gardens, large round planters and in-ground floral displays in our public areas.

This Program could not survive without the generous donations from residents and businesses in our community.

Community Involvement!

Ever year the City of Buffalo reaches out to our residents and local businesses for donations to help us maintain our beautiful floral displays. Because of the generous contributions and financial support from our community the City of Buffalo has been able to continue to provide these wonderful floral displays which make our community stand out.

Thank you!

To all who have donated this year and in the years past as we could not provide floral displays without your generous donations!

If you have questions, please contact Parks and Recreation Dept. at the City of Buffalo,

763-684-5421 or ParksandRec@ci.buffalo.mn.us.
