

Compost Facility Sticker

1306 County Road 134
(behind the Civic Center)

The Compost Facility is available for residents who live within the City limits of Buffalo. A compost sticker is required for access to the facility. There are two ways you can obtain this sticker. You can stop in during office hours at the City Center at 212 Central Ave. Once staff confirms your address is in the City limits, they will give you the sticker. Otherwise, you may call us at (763) 682-1181 and we will mail it to you.

City Center hours are Monday-Friday from 8:00-4:30.
